

Isabellenhütte Part Number Help

To assist you in putting together our part number(s), we have produced the following examples. Please call us at 800-LOW-OHMS if you have any questions, we're happy to help.

Example 1

Example 2

Additional options should be added at the end of the part number.

Ex: RUG-Z-R100-0.1-TK10 (TK = Temperature Coefficient, available in 1, 3, 5, 10 ppm/°C)
